TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 5 Other: Examiner notes that the case was not abandoned due to the case being sent to the wrong address. Examiner agreed to resend the action, but mistakenly failed to correctly file it. The examiner attached the detailed action to an interview summary instead of sending a supplemental action resetting the time for reply. The applicant filed a timely response to the supplemental action, but this was not received by the examiner until the examiner discussed the case with Jay Kramer and Michael Fogg. Examiner further notes that the applicant was in touch with the examiner, actively involved in resolving the issue. .
